HELP WANTED-MALE

SALESMEN.

Of late quite a number of men have joined our organization who have been reading our advertisements for a number of weeks, who did not believe our statement hat we had an opportunity for inexperienced men to make the large earnings mentioned in our AD. It assented too good to be true. They now know we have exactly the opportunity we state we have and their only regret is that they lost a namber of valuable weeks before making up their mind to call.

Last Sunday we printed a letter from one of our anleamen who had never sold anything before in his life, in which he stated he made \$250 his first week with us and his carnings had run up as high as \$1,100 per week.

Last week another of our men, who never had had any provious selling experience, made \$612.50. We could cite many, many other instances of men now on our sales force who have—and are making—more fancy than they ever believed it possible they could make, and who are laying the foundation for still greater earnings.

We are marketing one of the most revolutionary products ever placed be-fore the American public-a product backed by a group of well-rated, well known New York business men.

Our proposition to YOU is this: GAMBLE enough of your time to call at our office and we either can or cannot prove to you:

1. That you have the opportunity to make from \$10,000 to \$20,000 in commissions this year, in assisting us in raising the capital necessary to market the above mentioned product.

2. That by or before the end of this year you have the opportunity of stepping into an executive position in the merchandising end of our business, where this opportunity is limited solely to your own ability.

If we CAN prove this to you, you have found the opportunity that comes to every man—ONCE. If we CANNOT, you have wasted your time. IS IT A GOOD GAMBLE?

Last Thursday morning twenty men were taken out of our financial de-partment for the purpose of introduc-ing this product in the metropolitan district. IN THE NEAR FUTURE. EVERY NEW YORK NEWSPAPER WILL BE CARRYING ONE-QUARTER, ONE-HALF AND FULL PAGE ADS OF THIS PRODUCT, AND OVER 3,000 WINDOWS WILL BE DISPLAYING IT.

Now is the time to form a connection with this enterprise, and GROW WITH IT.

Forty nien joined our sales force last week, are 100% sold on this proposition. They have found it a GOOD GAMBLE.
